## WARREN TRAVIS WHITE HIGH SCHOOL

### ALMA MATER HYMN

Oh hail Alma Mater, our school in a country free.

Our hearts, hands and minds are pledged evermore to thee.

And may we have wisdom, may we have courage, that in  
so doing

We honor thy name, oh great Alma Mater,

Warren Travis White High School.

## DEDICATION

In acknowledgement of our deep indebtedness,  
with humble gratitude and genuine appreciation  
for their inspiration, their leadership, their un-  
tiring work and their true concern for our students,  
we dedicate this yearbook to the faculty at  
Warren Travis High School.

## PARENT-TEACHER PRAYER

HEAVENLY FATHER,

Thou who art our Creator and our God,  
We thank Thee for all the blessings Thou hast bestowed upon us, more especially for the children and our relation to them. We ask that Thou wilt endow us with wisdom and strength as we care for and nurture them. May we be Thine instruments to lead our children to a realization of Thy power and Thy love.

Bless Thou our fellowship as we work for the children of our land. Lead us in steadfastness and faith toward the solution of the great problems that confront our world today.

Consecrate us to Thy service and to the service of all children everywhere.

Amen.

## OBJECTS OF PARENT-TEACHER ASSOCIATION

TO PROMOTE the welfare of children and youth in home, school, church, and community.

TO RAISE the standards of home life.

TO SECURE adequate laws for the care and protection of children and youth.

TO BRING into closer relation the home and the school, that parents and teachers may co-operate intelligently in the training of the child.

TO DEVELOP between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

## GREETINGS FROM THE PRINCIPAL

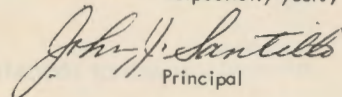

We want the school life of each student to be a continuous flow of the warmth, happiness, friendship, and the secure feeling which, we anticipate, exists in the homes of these youngsters.

Working with young people can give us strength in time of trouble, wisdom in time of uncertainty and sharing in time of happiness.

Education is not a destination, for we are always enroute.

We extend our best wishes to all of our people associated directly and indirectly with our school.

Respectfully yours,

  
Principal

## MESSAGE FROM THE PRESIDENT

As we all know, PTA stands for Parent-Teacher Association, but what we should also be aware of is that it is not designed to specifically help either parents or teachers. The PTA is designed for one purpose only and that one purpose is to promote the welfare and education of the child.

To do this job requires workers. Usually such workers can be found and they spend much time and energy during the school year.

To do this job right also requires the active and enthusiastic support of all the parents. The officers and workers ask you for that support, ask that you find an hour or two a month to meet with other parents at PTA meetings, ask that you double and redouble your efforts on behalf of all children everywhere.

Working together we can do the job that should be done.

Respectfully yours,
